What's the difference in our RRC camps?

“Home on the Ranch Camp” is our traditional camp session. Campers are assigned their own horse, which they get to brush and saddle. They'll have exciting riding classes with trained instructors as well as other group activities – swimming, archery, low challenge course, crafts, fishing, climbing wall, low ropes course, & more!

“All Girls Horsemanship Camp” is for the *HORSE LOVER!* Campers take riding lessons and informational sessions about horses. There's horse education, trail riding, grooming, roping, arena games, and *other camp activities* mentioned above – just more focus on HORSES!
